

# The Presentation Doctor & Speakers Mentor

Transforming Messages Into Masterpieces—One Voice, One Body, One Moment at a Time

Dr. Gary Wohlman is a world-renowned Presentation Coach and Speakers Mentor, celebrated for his groundbreaking approach to empowering speakers to captivate their audiences with authenticity, vitality, and transformative impact. Known as "The Presentation Doctor," he combines his expertise in Transpersonal Psychology, Expressive Arts, and performance coaching to help individuals craft and deliver messages that resonate deeply and inspire action.

With decades of experience spanning academic, corporate, and creative domains, Dr. Gary, as he is popularly called, is a trusted advisor for professionals at every stage—from aspiring speakers to seasoned leaders—seeking to refine their message, amplify their influence, and connect with audiences through body, voice, and heart.

 DR. GARY WOHLMAN, PhD

## SIGNATURE ADVANTAGE

Unlike traditional coaching methods, Dr. Gary's integrative and therapeutic approach blends psychology, physicality, and performance techniques to achieve rapid, radical results. His sessions are known for unlocking hidden potential, dissolving performance anxiety, and unleashing a speaker's full-bodied presence—turning any stage into a platform for lasting impact.

## CORE EXPERTISE

- **Message Transformation:** Crafting compelling narratives that align with your values and resonate with diverse audiences.
- **Body & Voice Alignment:** Harnessing physical expression and vocal dynamics to communicate with authenticity and authority.
- **Engaging Presentations:** Creating interactive and immersive presentations that leave lasting impressions.
- **Conflict-Resolution Communication:** Training professionals in handling challenging dialogues with compassion and clarity.
- **Rapid & Radical Coaching:** Producing breakthrough transformations in communication and presentation styles in record time.

## FLAGSHIP LEARNING JOURNEYS

- **Transforming your Message with BODY & VOICE:** A hands-on, dynamic program designed to enhance the full-bodied engagement and impact of live and recorded presentations.
- **The Therapeutic Coaching Method:** A creative and radical coaching system offering rapid results in overcoming stage fear and self-expression barriers.
- **Communicating with Compassion & Authority:** An interactive training program designed for professionals—performers, presenters, entrepreneurs, executives, and government leaders—to confidently navigate delicate, provocative, or high-stakes conversations.
